To The Secretary to the Government of Mysore

Sir

Adverting to your official memo No 888 dated 16th February 1894 and subsequent dockets as per Margin forwarding for enquiry and report petition from one Nattarajaswami and depositions from Shanbhogue Krishnappa and Venkataramanappa complaining of the mismanagement of the affairs of Venkataramana-Swami Temple at Gottahalli in the Bowringpett Taluk. I have the honor to submit for your information the entire correspondence ending with Bowringpett Amildars No. 710 without date on the subject It appears from the above correspondence that the temple is in the enjoyment of a cash allowance of Rs. 1-8 p/m per mensem which is being paid up to the present as is done in case of such other institutions and that it has not been endowed with Inam lands from Government in addition

2 The main income of the temple is

+ No. 263 dated 16th August 1895
No 724 dated 18/19 January 96

is from the devotees who visit the place on all Special occasions and during the car-festival and who pay small sums in share of Hanikes and Mandapas in silver and Gold jewels. The amount received as Hanikas amounts annually to Rs: 300/. on an average though the sum fell short by Rs: 6-12-2 in the year Jaya. Out of this collection the charges incidental to car-festival amounting to Rs: 100/. is paid though it is an unauthorized one and the balance is made over to Patel Mylapowda for safe custody. The total savings thus accumulated during the last 14 years ending with Vilumbi is Rs: 1295-3-10 in ready cash and Rs: 1264-14-0 in Gold and Silver jewels which are now in possession of the said Patel Mylapowda. He was required to remit these to the Taluk Treasury but he refused to do so. His allegation is, that he had no orders from Dharmakartas of the institution to pay up the money and jewels to the Government Treasury, and that they, the said Dharmakartas have already decided among themselves to buy up an Inam village for the sum, for the benefit of the temple

The Patel is ill-advised in refusing to make good the money and jewels held in trust by him for the institution. I think of taking criminal proceedings against him and other so-called Dharmakartas if they fail after due service of notice upon them to remit the same to the Taluk Treasury should the step receive your approval.

3. Under this state of things, I cannot but advocate the appointment of Dharmakartas interested in the institution for the management of temple affairs and the men recommended by the Amildar in his report No: 608 dated 21st January 1896 may be tried for a time.

4 In conclusion, I regret to observe that though they had been directed to act up to the instructions contained in paras 2 and 3 of your docket No: 124 dated 19th January 1896 the Taluk authorities have taken no steps to collect Kanikas and other offerings during the car-festivals of last and previous years under their direct supervision and they are therefore strictly ordered to give due effect

the said order in the next cav- festival and
out the result.

I have the Honor to be,
Sir,
